

Flower Parts Online Assignment

***Note* For this entire assignment:**

- 1. You must have your computer MUTED.**
- 2. You must only have open the websites mentioned on this activity.**
- 3. You must have something PRINTED to hand in before you leave class today!**

Part #1: Notes

1. Open a Word document
2. Create a chart in the word document that looks like the following chart:

Plant Part	Description	Male/Female Part
Anther		
Filament		
Ovary		
Ovule		
Petals		
Pistil		
Sepals		
Stamen		
Stigma		
Style		

3. Watch the following video and take notes over the different parts of a flower and their functions
Great Plant Escape – Flower Parts <http://www.schooltube.com/video/17b178db9aaf295720e1/>
4. Complete your notes by visiting the following websites:
The Parts of a Flower - http://www.amnh.org/learn/biodiversity_counts/ident_help/Parts_Plants/parts_of_flower.htm
Flower Parts - <http://urbanext.illinois.edu/gpe/case4/c4facts1a.html>
Flower Anatomy - http://www.familymanagement.com/holidays/flowers/flower_anatomy.html
Flower Anatomy - <http://www.enchantedlearning.com/subjects/plants/printouts/floweranatomy.shtml>
5. Find a picture (or pictures) of a flower with all of the parts labeled. Insert the picture below your chart.

***Note* Your notes SHOULD NOT exceed more than 1 typed page**

Part #2: Assignment

1. Go to the following website: What are the functions of the parts of the flower?
http://www.glencoe.com/sites/common_assets/science/virtual_labs/LS11/LS11.html
2. Read through the information in the left hand column.
3. In the “Procedure” section, complete steps 1-9, but SKIP STEP #6 (You DO NOT have to complete the chart → you’ve already done that!)
4. When you are finished with #9, print your answers. → BEFORE YOU PRINT, GET PERMISSION!
 - a. If you are running short on class time, be sure to copy and paste your answers into your word document so that you have them later.
 - b. You may also print 1 page of the notes you took in the Word document if you wish to have them. You WILL be held accountable for this material.
 - c. If you have more than 1 page of notes to print, you must get permission.

Part #3: Games

1. If you have finished parts 1 & 2, you may spend the remaining class time playing these games.
 - a. You MUST have parts 1 & 2 finished (That means a printed copy is sitting in Mr. Packard’s hand...)
 - b. These are the ONLY games you will be allowed to play.
 - c. DO NOT visit Power School.
 - d. DO NOT visit other websites or play other games.
